TEAM SCHOLAR CO.

Aparna Souparnika

Founder

HELLO, MY NAME IS APARNA SOUPARNIKA. I'M A FULLY QUALIFIED TEACHER/LECTURER WHO SPECIALISES IN PHYSICS, CHEMISTRY AND FORENSIC SCIENCE.

I HAVE STRONG EXPERIENCE WITH THE FOLLOWING EXAM BOARDS: WJEC/EDUQAS, EDEXCEL, AQA AND CIE (CAMBRIDGE INTERNATIONAL).

I HAVE BEEN A SCIENCE TEACHER SINCE 2013. I HAVE TAUGHT A RANGE OF COURSES IN A LEVEL, B TEC, GCSE, KS3 AND 11+. I ALSO TAKE CLASSES FOR MATHEMATICS AND BIOLOGY.

2021 EXAM CYCLE I HAVE HAD SEVERAL STUDENTS OBTAIN A* IN PHYSICS, CHEMISTRY AND BIOLOGY GCSE WITH THEM GOING ONTO STUDY AT TOP SCHOOLS.

My Qualifications

I am currently working as a Criminology and Forensic science lecturer at Buckinghamshire University group

- ***Masters in Forensic science, Kingston university***
- ***Masters in Physics with a GPA of 9.6/10.0 with an internship from prestigious institution of India, IIT CHENNAI***
- ***Three Separate Degrees in: Physics, Chemistry and Applied Geology with an overall of 9.8/10.0 (From central university of Pondicherry, India)***
- ***A Level: Science (Physics, chemistry, Biology, Mathematics) 95.7%***

Why Us?

As a tutor I will be here to aid your learning e.g., clarify and go over things misunderstood/missed in class and to help you practice past paper questions. Particularly application questions which are challenging.

CONCEPT OF ONLINE SESSIONS

I am currently providing online sessions, which are all completed through zoom. These are very much like an in-person session, if not better. I use PowerPoints, animations and an online white board to teach. The benefit of this is that I am able to reach students further afield, so please feel free to contact me if you are outside of my area.

For Booking

First Session/Assessment is Free

If you are interested in booking with me, please contact me through phone number given at the end. Please inform me of the level (e.g., GCSE, A Level) and exam board you/your child is studying with and I will reply ASAP. Bookings are made on a recurring weekly basis but these can be altered by me or you.

First session

Includes several assessments for me to gauge ability and Q&A , a chat about current status in science and aims/goals of the tuition sessions
